MERRY **TUBACHRISTMAS**®

Harvey Phillips was inspired to create TUBACHRISTMAS as an annual event to honor his teacher, the late, great William J. Bell (born Christmas Day, 1902) and through Bell to recognize the legacy of all artists/teachers of the tuba family of instruments. TUBACHRISTMAS performances feature traditional Christmas music especially arranged for the first TUBACHRISTMAS (December 22, 1974, in NYC's Rockefeller Center lce Rink) by American composer Alec Wilder (died on Christmas Eve, 1980). Through Wilder, grateful tribute is paid to composers who have embraced these noble instruments with their solo and ensemble compositions. Every Christmas season, players of all ages gather to pay respect to their heritage. The warm and rich, organ-like sound of the mass tuba-euphonium choir has won the ears and hearts of every audience. It is, therefore, no wonder that TUBACHRISTMAS has become an established Christmas tradition in cities throughout the world.
